Fundraising Tips

- Tell others why you are participating in the Race for the Cure. When others know your motivation, they will be more likely to give. Don't forget - You are **NOT** asking for money for yourself, it's for a great cause!
- Encourage everyone to give something, **ANY** dollar amount that you raise will make a difference. Even if it is only \$5. Five dollars from 20 people is \$100!
- Skip your morning latte, brown bag your lunch, or save your spare change. You'll be surprised how much you'll save for your own pledge by the time the event is here!
- Keep your eyes on the prize! Set a fundraising goal and try to beat it.
- Remember to say **THANK YOU!** Send out a thank you to each individual for helping you reach your goal. Let them know they are making a difference.
- Register online. You can personalize your web page, track your progress, and email friends and family to support your Race efforts.
- **If you do not have access to a computer, you can ask friends and family in-person, by phone, or by letter. Use the attached Printable Pledge Form to track your donations.**

Don't forget about matching gifts! Ask your supporters if their company will match their donation. This is an easy way to fundraise.
